

Incorrect: Do Not use I

To begin with, I combined Baking Soda with water. I observed bubbling. Next I mixed Baking Soda with vinegar, the results were a milky white mixture. Finally, I mixed Baking Soda with Iodine. The mixture was brownish colored Baking Soda.

Correct -
Writing Impersonal:

To begin with, Baking Soda was combined with water. The mixture displayed bubbling. Next, vinegar and Baking Soda were mixed producing a milky white substance. Finally, Baking Soda was mixed with Iodine. The result was a brownish color of Baking Soda.
