

Hello everyone!

Welcome to the first week of online learning. Your first grade team has some ideas about how you can be a successful student at home.

1- Find a "study spot," some place where you will go to do your daily work.

A spot for school work only, no where near the TV or video games, if possible.

2- Create a schedule to follow every week day. Still get up at a set time, do your regular routine as if you were going to school. Then go into your school work. Following a routine will be VERY helpful especially to children. They need the consistency of a schedule.

Possible schedule routines include:

8am wake up, do morning routine (breakfast, brush teeth, etc).

8:30 Have one child do class work on the computer doing reading, writing or spelling activities. Another do paper work (spelling, writing, reading if you have books. Have the children switch when it makes sense for what each child is doing on the computer, approximately every 15-20 minutes.

9:30 BRAIN BREAK

10:00 Back to work with Reading, writing, and spelling activities, alternating the computer time

11:00 LUNCH or BRAIN BREAK, 1st grade has lunch at 11

12:00 Math activities - share the computer for online lessons. Parents, please do the Math homework book so that we can go quickly through the lessons after the break. Alternate computer usage.

1:00 BRAIN BREAK

1:30 Social Studies and Science activities.

2:30 Make sure all assignments are submitted to your teacher.

BRAIN BREAK IDEAS:

- Mr. Tapp's blog, go outside if it's a nice day (practice social distancing), or do "GoNoodle." It's free and families can sign up:

<https://www.gonoodle.com/>

-Check Mrs. Meyer's blog for music ideas

-Mr. Goecke's blogs for art ideas

- Mr. Neff and Mrs. Poisson's blogs with have some literacy and technology ideas

- Other resources:

If you have a membership, check out Dearborn Public Libraries. The children can “borrow” new books and they also have movies (including the latest ones that aren’t streaming/on cable yet).

Go on a virtual field trips

1. [Virtual Field Trips](#) - Discovery Education
2. <https://www.waterford.org/resources/3-great-virtual-field-trips-for-early-learners>
3. [Virtual Field Trips](#) - Website that shows 30 different field trips
4. Museum Field trips:
https://hellogiggles.com/news/museums-with-virtual-tours/?utm_term=A36AA812-655E-11EA-97D8-7D87C28169F1&utm_medium=social&utm_source=facebook.com&utm_content=link&utm_campaign=hellogiggles_hellogiggles&fbclid=IwAR1LIAh9Y0Mjmk2evmEiDMJw4hj808RBsLBTWDO8ZnL1pickxcXBSOvLbh0

Not all of the suggestions will work for every family, but some of these ideas would be fun to do:
