Chapter 1

The Lost Pup

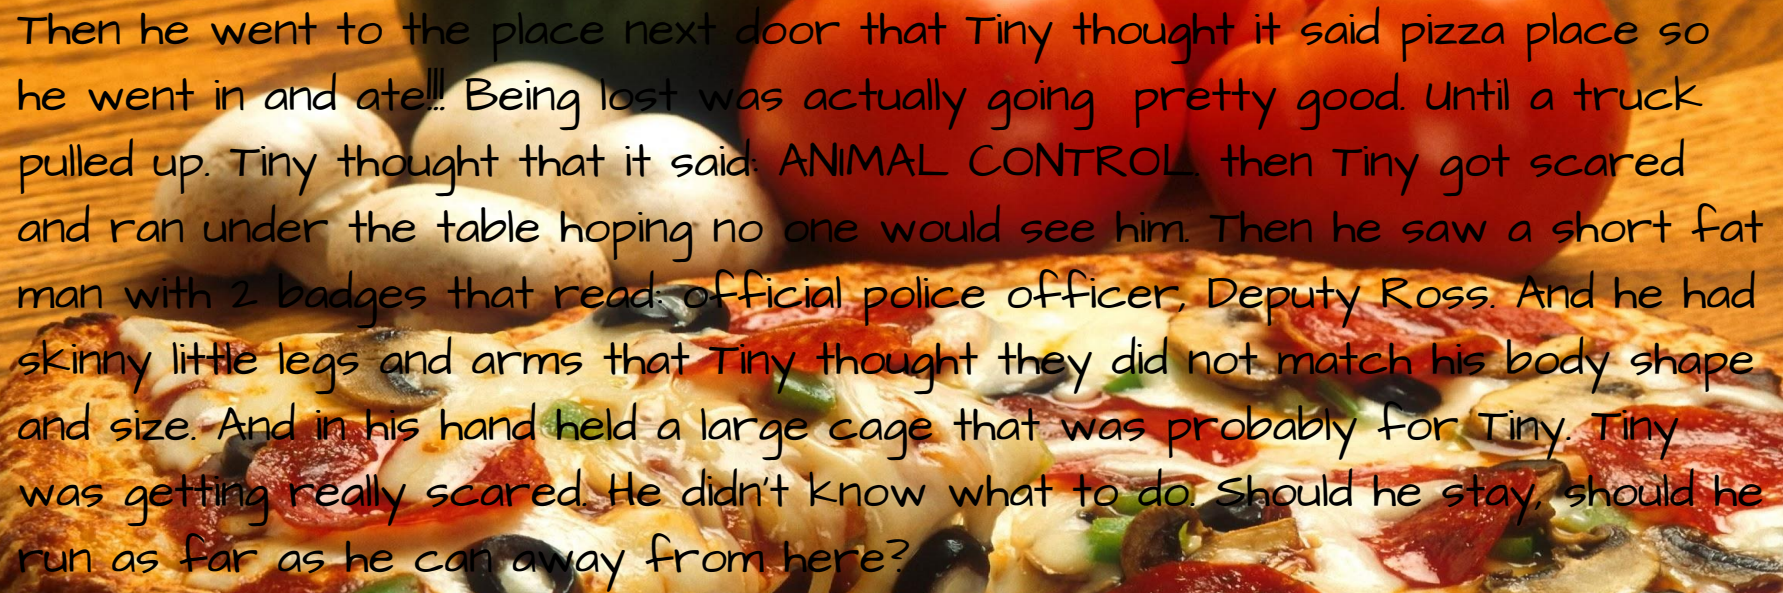

Tiny was a small little pup who was lost. No one knew how Tiny got lost. But Tiny knew, he was just chasing a squirrel and he ended up in the middle of nowhere. Now Tiny is lost but will soon find his way back home. His owner has been looking for Tiny for weeks. She has never found him. At least they don't think they found him. no one knows where the little puppy went, they are on search right now. They are even putting up posters. The poster said

If you see this dog contact:
[138] 187-174 important info:
name: Tiny
Age: 2 owner: Emily Miller

They went up and down the block searching for him. And all the neighbors said they hadn't seen him. Tiny was a lost pup. After a while Tiny got tired, hungry and lonely, then he saw a place that had Tiny's name all over it. Tiny could not read what the place was called but he kept going the sign read: Dairy Queen. Tiny went in and ate until the machines ran out of ice cream and whatever else was there. It was the best time he ever had! Then he walked out because Tiny had over a million puppy brain freezes and because he was pretty much finished with Dairy Queen..

Then he went to the place next door that Tiny thought it said pizza place so he went in and ate!!! Being lost was actually going pretty good. Until a truck pulled up. Tiny thought that it said: ANIMAL CONTROL then Tiny got scared and ran under the table hoping no one would see him. Then he saw a short fat man with 2 badges that read: official police officer, Deputy Ross. And he had skinny little legs and arms that Tiny thought they did not match his body shape and size. And in his hand held a large cage that was probably for Tiny. Tiny was getting really scared. He didn't know what to do. Should he stay, should he run as far as he can away from here?

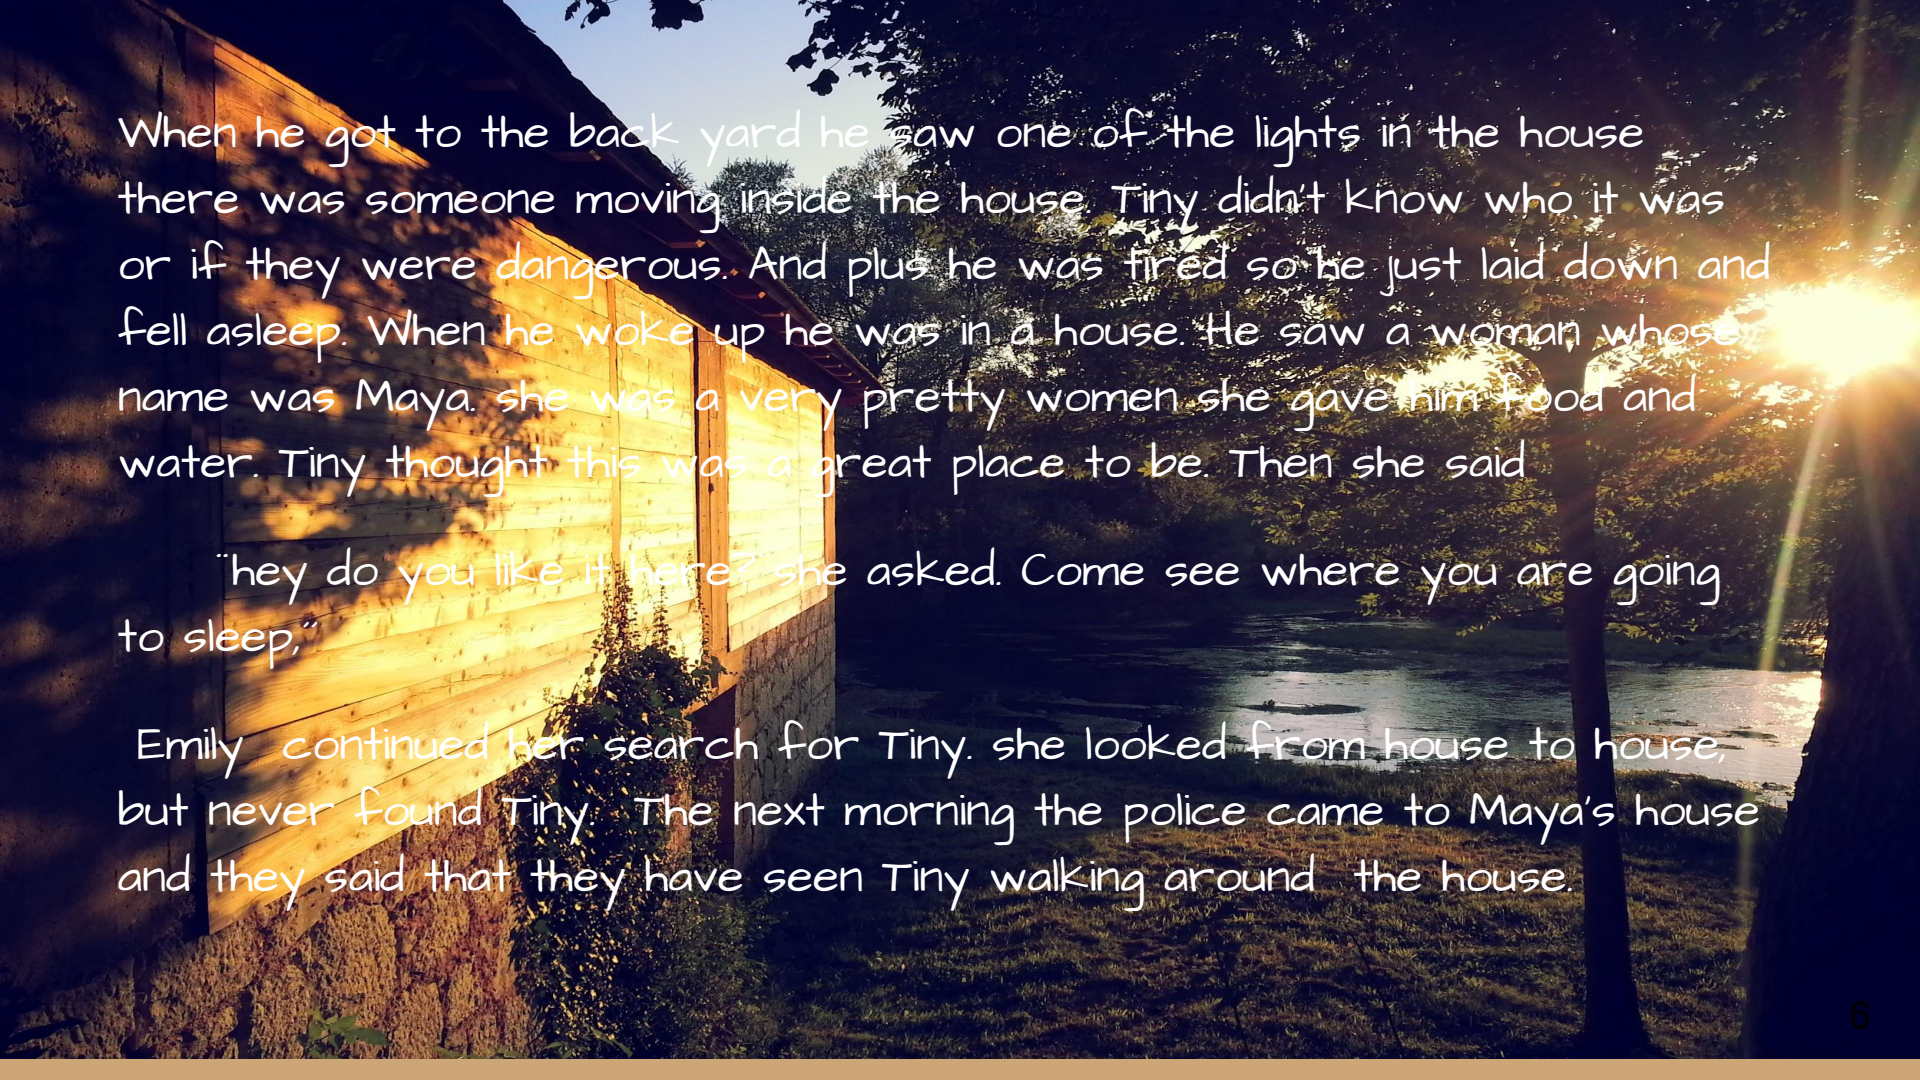

Chapter 2

The Mission

Tiny decided he would run when Deputy Ross was not looking. When he went to look in the kitchen what deputy Ross saw he will never forget. The place was trashed so badly. There was cheese on the wall, the counter and all over the floor! And the dog was every where! And the sauce was the worst thing it was all over the floor, the counters and even on the walls!!!

"Hey, where is that puppy!" yelled deputy Ross. Tiny decided to run now. He ran as fast as he could out the door and down the block and into someone's yard.

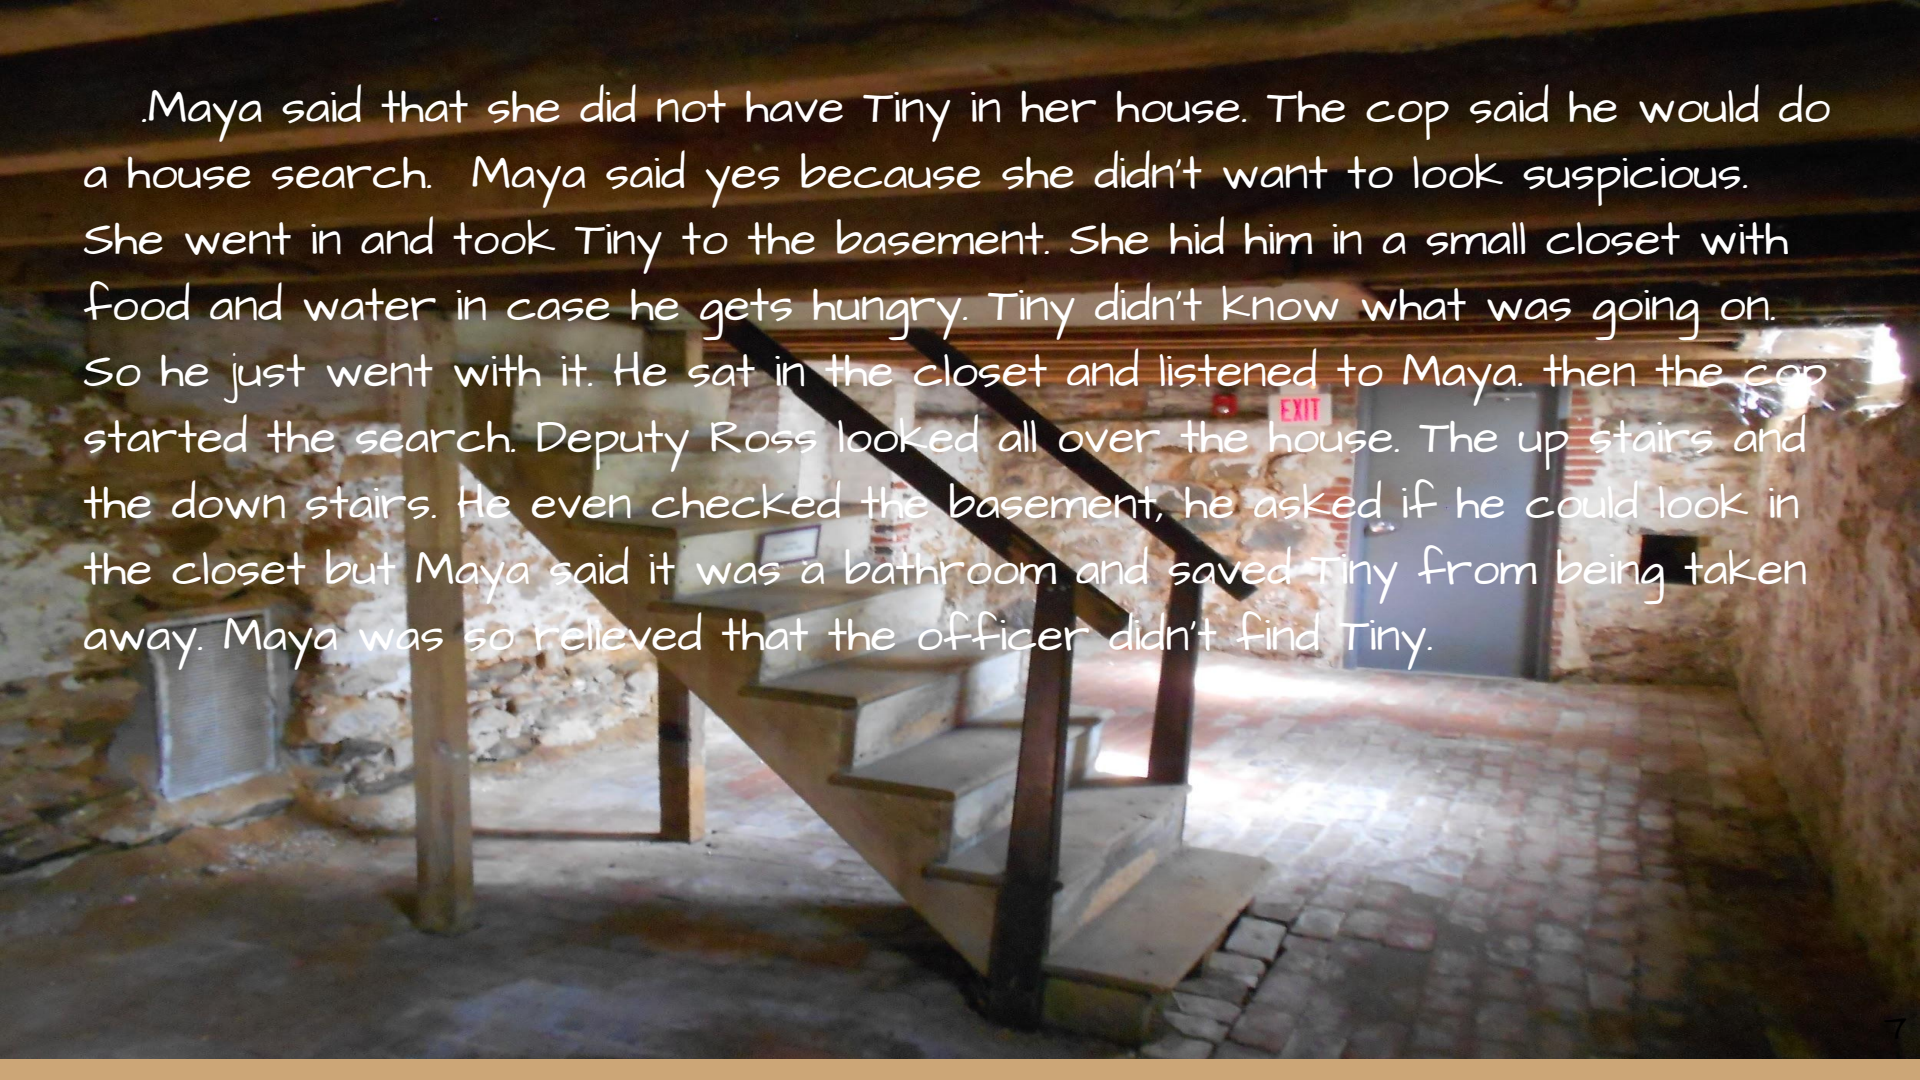

When he got to the back yard he saw one of the lights in the house there was someone moving inside the house. Tiny didn't know who it was or if they were dangerous. And plus he was tired so he just laid down and fell asleep. When he woke up he was in a house. He saw a woman whose name was Maya. she was a very pretty woman she gave him food and water. Tiny thought this was a great place to be. Then she said

"hey do you like it here?" she asked. Come see where you are going to sleep,"

Emily continued her search for Tiny. she looked from house to house, but never found Tiny. The next morning the police came to Maya's house and they said that they have seen Tiny walking around the house.

.Maya said that she did not have Tiny in her house. The cop said he would do a house search. Maya said yes because she didn't want to look suspicious. She went in and took Tiny to the basement. She hid him in a small closet with food and water in case he gets hungry. Tiny didn't know what was going on. So he just went with it. He sat in the closet and listened to Maya. then the cop started the search. Deputy Ross looked all over the house. The up stairs and the down stairs. He even checked the basement, he asked if he could look in the closet but Maya said it was a bathroom and saved Tiny from being taken away. Maya was so relieved that the officer didn't find Tiny.

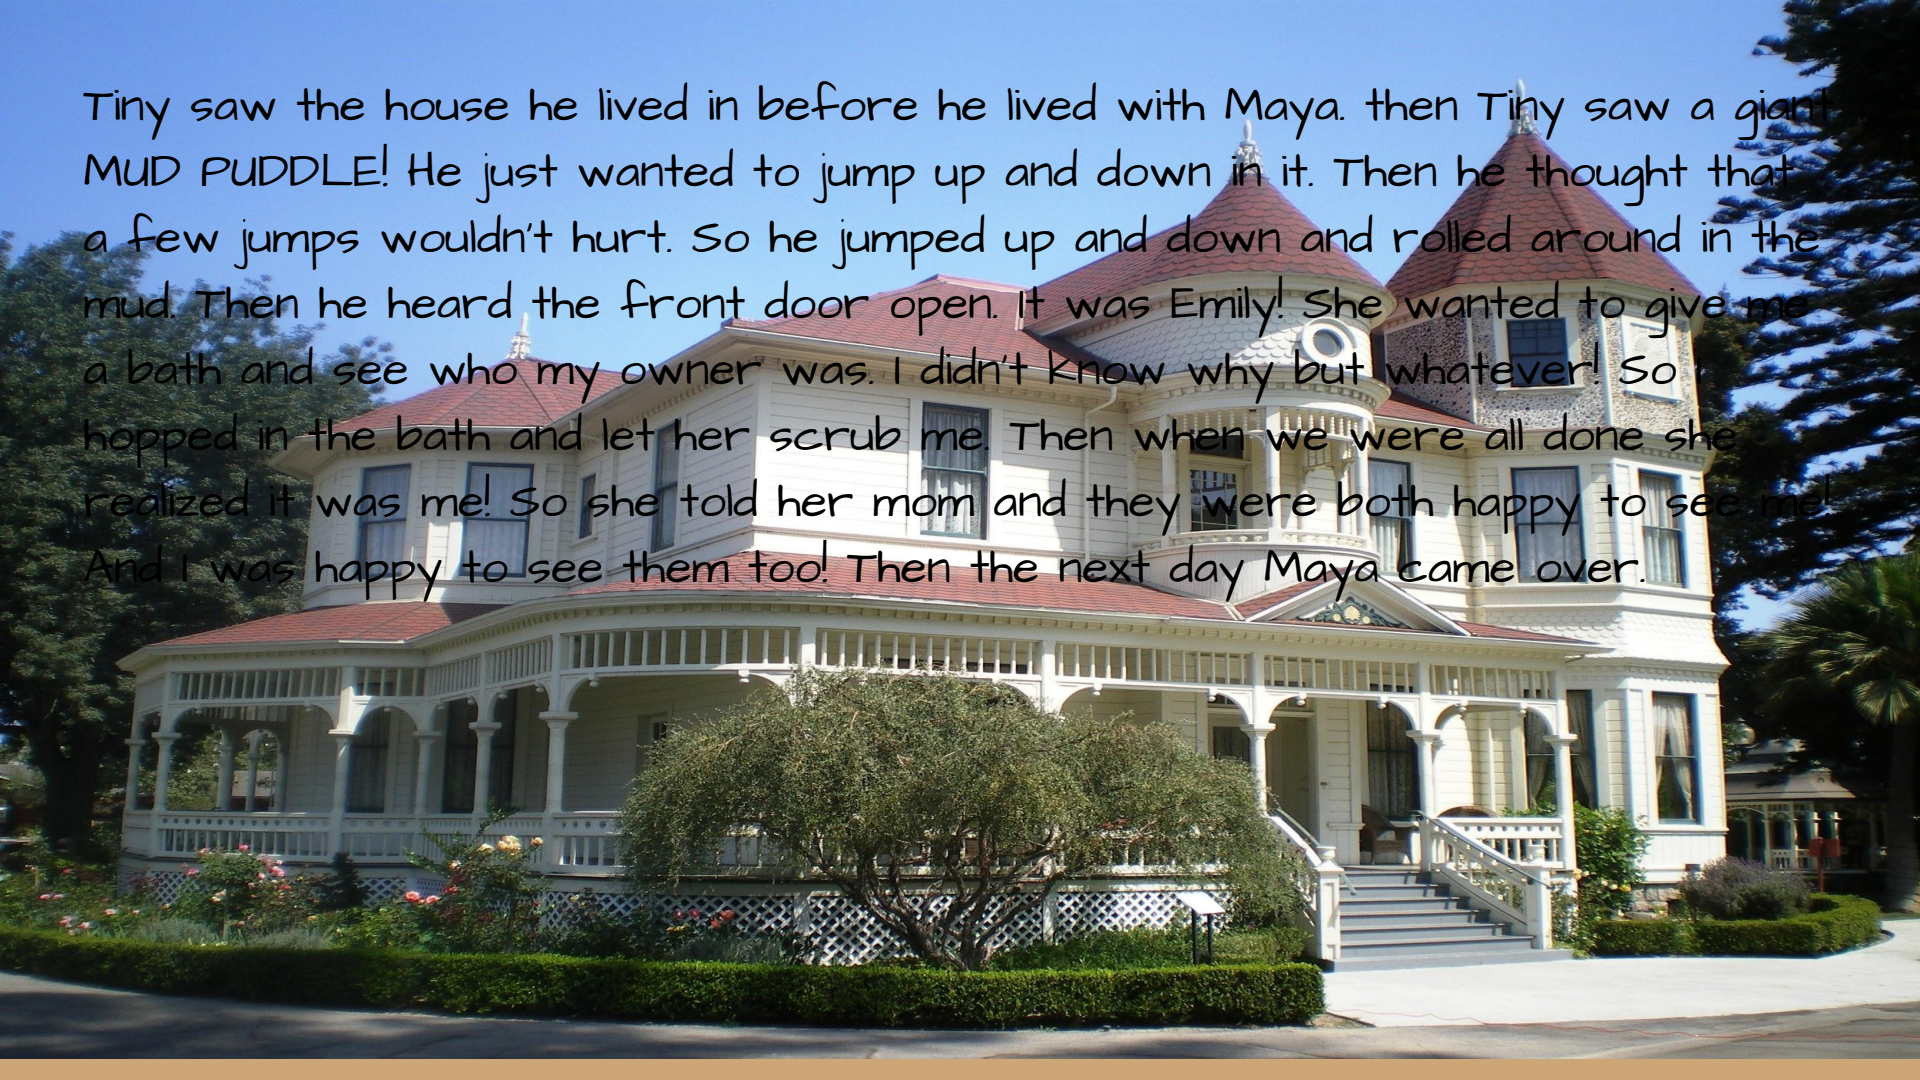

Chapter 3

Many Days Later

A few ed for the big jail-break so he went as soon as the car left. Tiny thought that the address is 8235 polter drive. So he started his search. He saw a street sign that said: polter Dr. he thought that meant that it was the house he was looking for so he went that way. He houses in different sizes and shapes but then he saw the house he was looking for.

Tiny saw the house he lived in before he lived with Maya. then Tiny saw a giant MUD PUDDLE! He just wanted to jump up and down in it. Then he thought that a few jumps wouldn't hurt. So he jumped up and down and rolled around in the mud. Then he heard the front door open. It was Emily! She wanted to give me a bath and see who my owner was. I didn't know why but whatever! So I hopped in the bath and let her scrub me. Then when we were all done she realized it was me! So she told her mom and they were both happy to see me! And I was happy to see them too! Then the next day Maya came over.

A small, fluffy white dog with dark eyes and a black nose is sitting on a grey, textured rock. The background is a blurred, warm-toned forest floor with brown and orange leaves. A white speech bubble is in the upper right, and the text 'The End' is written in a large, elegant script across the middle. At the bottom, it says 'Read Part 2!'.
