Signature of Certificated Teacher: **leave blank ☺** *

*For a student in a state-approved CTE program, the above verification must be made by a vocationally-certificated teacher or coordinator.

Performance Elements (Specific Job Skills To Be Learned)

Note: For state-approved career and technical education programs, the training plan must be developed from the related OCTP performance elements as posted on: http://www.michigan.gov/mdcd/0,1607,7-122-1680_2629_2733-145785--,00.html

• If this is an unpaid work-based learning experience, specific, unduplicated skills that the pupil will be learning need to be listed for each 45 hours of placement.

CTE 12-01-07 PINK

Following are the performance elements/job skills that contribute to the pupil's progress toward a career objective (attach additional pages as necessary). These performance elements/job skills will be used to assess/evaluate the pupil's progress.

List 15 Job skills you will learn on the job.
