## END OF THE YEAR

We have just about made it to the end of 2020. The 2020 school year has been one of the most challenging obstacles our community has ever faced. Parents and caregivers were challenged with virtual schooling of their children; witnessing first hand how very difficult and taxing it can be to engage and educate our children. And although it has been a rough year, we believe most of us can truly appreciate the work our teachers and educational staff have put forth for our children. No one was quite ready for the 2019-2020 pandemic, but we have built a strong community because of it. And in turn, we have a newfound admiration for the work we all do: parents and teachers alike.

As we finish up 2020 and look forward to 2021, lets celebrate our teachers and educational staff. We would love to invite you all to shower our Snow staff with encouragement and thanks for everything they have done to make school possible from afar.

The Snow Elementary main lobby will be open from 9 am to 3 pm Monday through Friday, now until December 18th for drop offs. Letters, pictures, drawings, and gifts are most welcome. Please label with the intended staff's name and drop off inside the main lobby.

We were able to gather a wish list from the staff of their favorite things. But most of all, a personal letter of thanks and encouragement or a drawing from a student is pure gold to a teacher's heart.

**Let's show our love and appreciation to our teachers and staff!**
