

Drinking and Driving

2nd Hour Mrs.Hadous

Effects of drinking and driving

- Drinking and driving is one of the worst habits by people all over the world
- It is one of the main causes of accidents
- Drinking and driving causes many deaths, only few are lucky to survive
- when one is caught under the influence they WILL go to jail as well as causing them to have a bad record

How drinking and driving is a big problem

- In 2014 9,967 people were killed in alcohol- impaired driving crashes
- In 2013 over 1.1 million drivers were arrested for driving under the influence
- In 2014 209 child passengers ages 14 and younger died from a driver under the influence
- Everyday 28 people in the United States die in vehicle crashes that involve an alcohol- impaired driving

ONE PERSON IS KILLED EVERY
51 MINUTES
IN COLLISIONS AS A RESULT OF
ALCOHOL-IMPAIRED DRIVERS

Ways to prevent drinking and driving

- If you are going to drink always have an available driver to drive you home
- If a friend or pal is not available It is best to take a bus, taxi, or uber home
- The law needs to enforce stronger regulations to drinking and driving so less people will drink and drive

Id

Losing your state of mind while you are Buzzed, drunk or even tipsy

Know your limit when drinking

When choosing to drink make sure you are controlling the amount because if you did then your in good hands because now you can actually call for a ride instead of getting caught driving illegally

Been drinking? Choose your ride.
