A SURPRISING FIRST DAY OF SCHOOL

Reggie's alarm clock went off and he groaned. "Oh, no, the first day of school." He looked at the clock. He was late! "I'll miss the school bus," he cried. But the bus was waiting for him at the bus stop when he ran outside. Reggie worried that he wouldn't have any friends at school. But all his friends from summer were in his class.

"The teacher will be mean," he worried. But when the new teacher introduced herself, she was very nice.

At lunch, Reggie was surprised that the cafeteria served hamburgers, and that they were delicious, not disgusting as he had feared.

After lunch, Reggie went to his science class. He was afraid they would have to dissect frogs. But the teacher showed them a live boa constrictor instead. Reggie was very interested in reptiles, so he enjoyed it. Then the snake escaped and he caught it.

"You are very brave! You can be my science assistant," his teacher said. Nobody had ever said Reggie was brave before.

When he got home, Reggie's mother asked him how school had been.

"Very surprising," he said.
