Superpower Aims in Europe

United States

- Encourage democracy in other countries to help prevent the rise of Communist governments
- Gain access to raw materials and markets to fuel booming industries
- Rebuild European governments to promote stability and create new markets for U.S. goods
- Reunite Germany to stabilize it and increase the security of Europe

Soviet Union

- Encourage communism in other countries as part of a worldwide workers' revolution
- Rebuild its war-ravaged economy using Eastern Europe's industrial equipment and raw materials
- Control Eastern Europe to protect Soviet borders and balance the U.S. influence in Western Europe
- Keep Germany divided to prevent its waging war again

“Iron Curtain” =

“Iron Curtain Speech” by Winston Churchill,

“A shadow has fallen... an iron curtain has descended across the Continent. Behind that line lie all the capitals of the ancient states of Central and Eastern Europe... the populations around them lie in what I must call the Soviet sphere, and all are subject, in one form or another, not only to Soviet influence but to a very high and in some cases increasing measure of control from Moscow...”

From the *“Iron Curtain Speech”* by Winston Churchill, March 5, 1946
