My dog needs a collar and a nametag. These can help me find it if it gets lost. My dog needs a leash, too. The leash is **clipped** to the collar so my dog can go for a walk.

Writing

Choose one of the **writing** topics on the next two slides. You can do both if you choose.

List at least three things that pets need to be healthy and happy.

Compare and Contrast adult dogs and puppies.

How are the puppy and adult dog the same? How are they different? Use the photos and the words from the book to help you.
