

Is it a Human or Physical  
Characteristic?

**Human characteristics** are features of Earth that people build or make such as:

roads

playgrounds

houses

bridges

streets

buildings

**Physical Characteristics** are natural features of Earth that were already here such as:

hills

oceans

deserts

mountains

rocks

cliffs

Determine whether the pictures on the following slides show a human or physical characteristic.

1.

A. Human characteristic

B. Physical characteristic

2.

A. Human characteristic

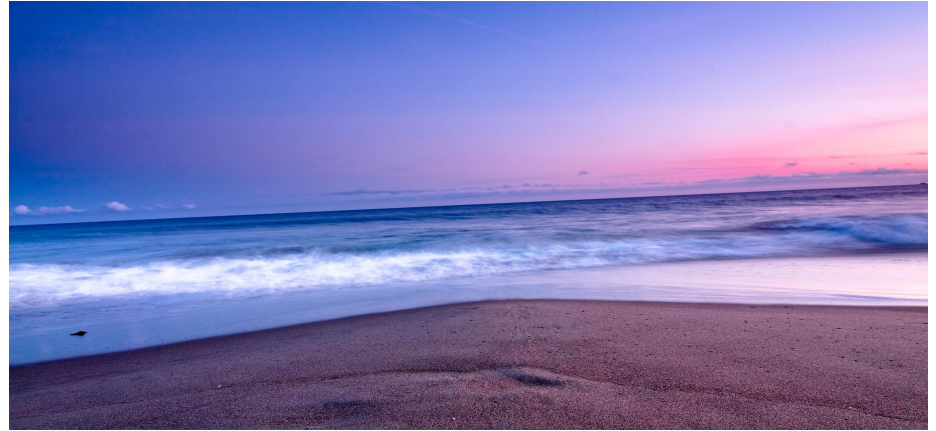

B. Physical characteristic

3.

A. Human characteristic

B. Physical characteristic

4.

A. Human characteristic

B. Physical characteristic

5.

A. Human characteristic

B. Physical characteristic

6.

A. Human characteristic

B. Physical characteristic

7.

A. Human characteristic

B. Physical characteristic

8.
