

Name:
Period #:

Directions: Fill in the appropriate information for your character doll. You may pick any scientist from your textbook or class handouts.

FACE
Draw a face and hair for your scientist

LEFT ARM
Give your scientist two tattoos that represent their scientific achievements.

RIGHT ARM
Describe how their scientific discovery has been improved or how it is used today.

LEFT LEG
Describe their important discovery or contribution to modern science.

RIGHT LEG
Describe how the scientist challenged traditional (old) thinking.
