Completed homework will be turned in and reviewed by the teacher upon return to school.
Skills will be retaught as needed.

ELA

Log in to Read Theory and complete 2 quizzes
Read a book of your choice for 30 a day.

SCIENCE & SOCIAL STUDIES

Log in to IXL and complete the assigned activity with a score of 80% or higher.

ADDITIONAL WORK & INFORMATION

As of right now, I am unsure how everything will play out. I will continue to update everyone as I receive new information. For now, I feel it is important to keep our kids engaged in learning activities to provide some normalcy to our days. Please follow the daily/weekly schedule or learning activities provided. In addition, students can continue to work on their goal work and IXL Math Challenge. If you have any questions regarding log in information please email me at Jinna@dearbornschools.org
I am here for you and look forward to seeing everyone when we are able to return to our buildings.

Regards, Mrs. Davis
