

Dear Parent (s),

I am writing this letter to acknowledge your child who is a pleasure to have in my **6<sup>th</sup> grade Global Studies** class. He/she comes to class prepared, follows directions, and contributes positively during class activities. So often these students do not receive the praise that they deserve. It is their positive energy and exemplary behavior that makes teaching a rewarding experience.

Thank you for allowing me the opportunity to partner with you in the education of your child. If you have any questions or concerns please email me:

[jonest@dearbornschools.org](mailto:jonest@dearbornschools.org)

Please take a moment and to discuss this letter with your child. Let them know that I am very pleased with what I am seeing in class. Encourage them to keep up the good work. Also, I need you to sign below to verify that you have received and read this letter. Together we can make a difference.

Respectfully,

A handwritten signature in cursive script, appearing to read "M. Jones", written in dark ink.

I have read/discussed your letter with my child. \_\_\_\_\_
