Etiquette and expectations for students during a Google Hangout

During a Google Meet all students are expected to treat it like a regular classroom.

Students should follow all regular school expectations and discussion topics and language (be school appropriate).

The Google Meet times will mainly be a time where students can ask questions or check in with me. If you have questions or are stuck on one of the assignments from the week, you should come to the Google Meet.

Office Hours- Tuesdays from 2:00 to 3:00

During "Office Hours" I will be available via email and can respond right away. If you need to talk on the phone or via a Google Meet, I can also meet one-on-one during this as well. If you want to schedule a time to talk in advance please send me an email and we can make that happen.
