

# Read at Home Book Bags

Next week we will begin sending “Read at Home Book Bags” home with our students. We hope to include every child in this, which will give the children the opportunity to read books they are reading in school to family and friends at home.

Please sign the Read at Home Book Bag Contract on the other side of this paper and return it to school as soon as possible so your child will be able to bring a “Read at Home Book Bag” home whenever we send them.

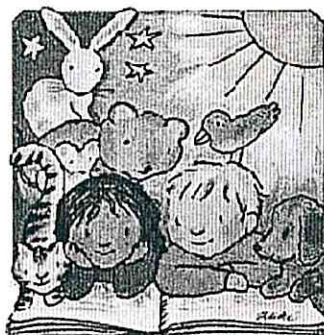

# Read at Home Book Bag Contract

We, the family of \_\_\_\_\_, will:

- ❖ Keep the **“Read at Home Book Bag”** and **book found inside** in a safe place in our home so they will not be lost or damaged.  
(Replacement cost per book or book bag is about \$7.00 each plus S&H)
- ❖ Keep the book inside the “Read at Home Book Bag” when we are not reading it.
- ❖ Make sure the “Read at Home Book Bag” (with book inside) is put into our child’s backpack after we read together so they will be **returned to school the next school day.**
- ❖ Use the Reading Strategies page to help us support our child’s reading at home.
- ❖ Find the time to have our child read to us. We will also encourage our child to read the book to other family and friends, when the opportunity arises.
- ❖ Keep the reading experience at home fun and supportive. We will remember that our child is working very hard to read and our positive attention and praise will support our child’s development as a reader!
