

Name: _____

3rd Grade Unit 1 Pre-Test

Sarah leaves home to go shopping at 3:15 and returns at 4:40. How long has she been gone?

3.MD.1

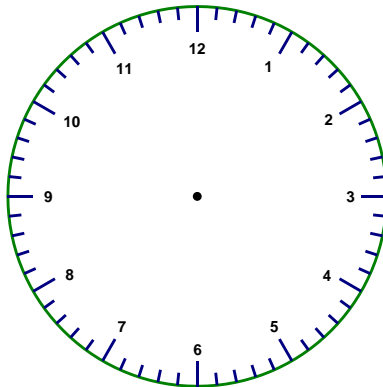

(Use the number line to help you.)

- | | | | |
|----|--------------------|-----|----|
| 1) | 95 minutes | Yes | No |
| 2) | 85 minutes | Yes | No |
| 3) | 1 hour 15 minutes | Yes | No |
| 4) | 1 hours 25 minutes | Yes | No |

- 5) On the clock below, draw the minute hand and the hour hand to show the time of 8:35.

3.MD.1

- 6) What time will it be 20 minutes later? _____

7) Mariam and her friends had a contest on who would read the most books in May.

The table below shows their results:

3.MD.3

Girls	Number of books read
Mariam	8
Tonya	2
Kelly	4
Susie	12

Create a bar graph for the data above. Write the interval used for the bar graph along with a title to represent the y-axis.

Books Read in May

Mariam

Tonya

Kelly

Susie

8) How many girls read more than 5 books but less than 15? _____

9) How many more books did Susie read than Kelly? _____

Ali asked some classmates what they had for breakfast.

Look at the table to answer the following questions:

3.MD.3

Food Item	Number of people
Cereal	3
Bagel	4
Pastry	5
Pancakes	1

10) Which item was eaten less than cereal? _____

11) Which item was chosen most? _____
