

Geotermis

economic interdependence a condition in which countries have strong economic ties and depend on each other for resources, technology, trade, and investment

free trade the flow of goods and services across national borders, with little or no government control

globalization the development of a global, or worldwide, society in which people, money, information, and goods flow fairly freely across national borders

multinational corporation a large company that has operations in more than one country

Locations of a Multinational Corporation

From South Korea to the World

Most multinational corporations are based in Western Europe or the United States. But Asia has its share, too. LG Electronics is a large company based in South Korea. It makes televisions, computers, and other products. It began to expand overseas in the 1970s. The countries shown in color on this map all have LG Electronics facilities today.
