

Test Review for Unit Rate, Tape Diagrams, and Double Number Lines

Name: _____

Date: 4/1/14

Hour: All hours!

To help you study for the test, here are some practice questions. Please read the directions carefully, answer each question in a complete sentence if possible, and show all your work. This review will be similar to the test, and can be used to study for the District Common Assessment.

** Answers to help you Review!!*
