Elementary PBIS Quick Reference Guide

All students will demonstrate expectations of being:
SAFE, RESPONSIBLE AND RESPECTFUL.

** Positive Reinforcement System:

- Students may earn raffle tickets for demonstrating positive behavior. Teachers need to turn in all raffle tickets by 2pm on Fridays.
- Students who end the card marking period with a blue focus card will be eligible to participate in a grade level celebration including Field Trips and other fun activities.
- Students will also have the opportunity to participate and earn monthly rewards.
- Students may earn a movie pass to use on Fridays.
- Teachers are expected to make a positive phone call home for students who demonstrate good behavior.
- Teachers will also use their own classroom incentive plan to reward positive behavior.

** Discipline Procedures:

- The focus cards will be used daily to track where students are on the hierarchy of consequences. All elementary teachers will be provided with blue cards for every student in their class. Yellow and red focus cards will also be provided for students as needed.
- The homeroom teacher is responsible for tracking where the student is on the hierarchy (moving the student from blue to yellow to red), but also receives recommendations from other teachers and lunch/recess monitors.
- Students can move from blue to yellow to red and back to yellow to blue again.
- Every student will start every new card marking period with a blue card.
