Dear Parent and Guardian:

We are excited to announce the arrival of Parent Connect! Parent Connect is your connection to your child's school information. Every mother, father, and legal guardian that registers with parent connect will be assigned a Pin number and a Password to access school information.

Each household is being sent a registration form. Parents in the same household may fill out one form with one e-mail but we need both of your names. Parents in separate households will receive separate communications from us.

If you would like to participate in this program, please fill out and sign the parent connect registration form and return the form to the school office. We must have an email from each household for you to have access.

If you have any questions or concerns, please contact us at 827-6600.

Sincerely,

Jamel Lawera
Principal
