

Mr. Liggett's Class: Technology Guide

How to get to our class blog

You can get to the blog by typing in the following in the address bar:

<http://iblog.dearbornschools.org/liggett/> OR go to google and type in "mr liggett's blog"

How to get to your student email

- 1) Go to dearbornschools.org
- 2) Move your mouse to the top right to "resources", click "for students"
- 3) Under student resources click "student district email/google login"
- 4) Your email address is your ID number @dearbornschools.org (Example: 12345678@dearbornschools.org)
- 5) Your password is your birthday (please change your password under student resources)
- 6) Once you are logged in you can use all of the google apps

How to get to Google Classroom

- 1) Follow the same steps to get to your email
- 2) Once you are in your email click on the nine little boxes in the top right corner
- 3) Scroll all the way down to "more apps"
- 4) The google classroom app is a picture of a chalkboard
- 5) When they ask you student or teacher click "student"
- 6) To add a class click the "+" symbol and type in the classroom code.
