

OT Friday Fun

Fine Motor Newsletter

Let's Move Coins!

As your student's OT, I plan on providing you with a specific, fun activity week to encourage fine motor activities at home. Please feel free to contact me at any time with questions or concerns. Now... let's get started with moving coins!

Without a Printer:

- Have your student stack the coins as high as they can.
- Sort coins into piles according to their worth.
- Place coins in a stack to make a certain amount, such as \$1.89.
- Create patterns with coins and have your student copy them.

Materials Needed:

- Varying coins, including nickels, dimes, pennies, and quarters.

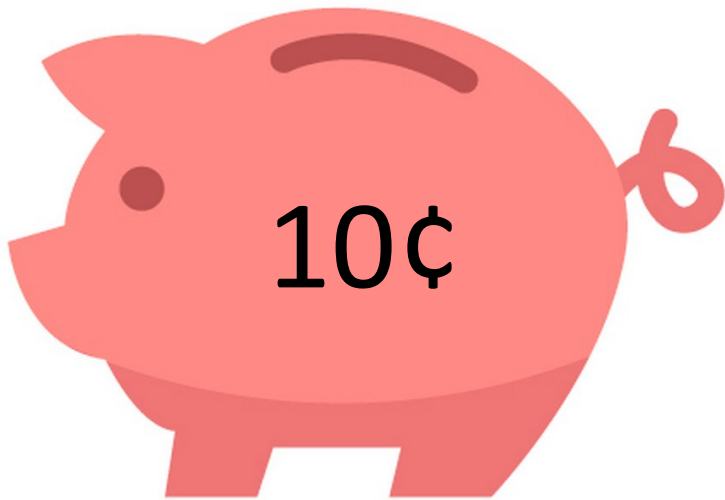

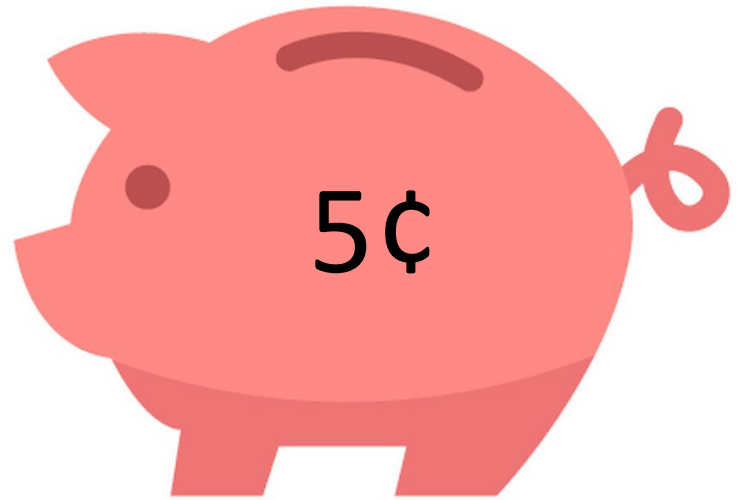

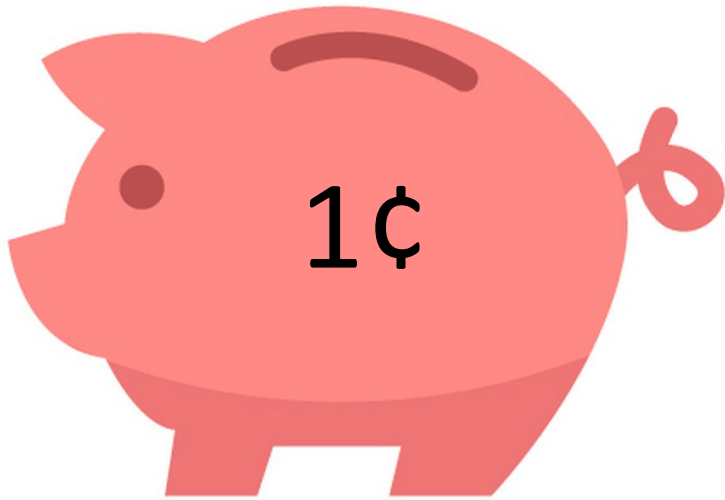

Ways to Incorporate Handwriting:

- Have your student write their name on each worksheet.
- Cut out the piggy banks and have your student write their name on the back of each bank.
- Write sentences about what your student would do with a piggy bank full of coins.
- Copy sentences about castles or racing after finishing the corresponding fine motor activity.

Please contact me if you have any questions.
Happy coin moving!

Let's Sort Coins!

Sort coins into the piggy banks according to their worth.

Please detach the above sheet and use it as a fine motor activity with coins.

Let's Sort Coins!

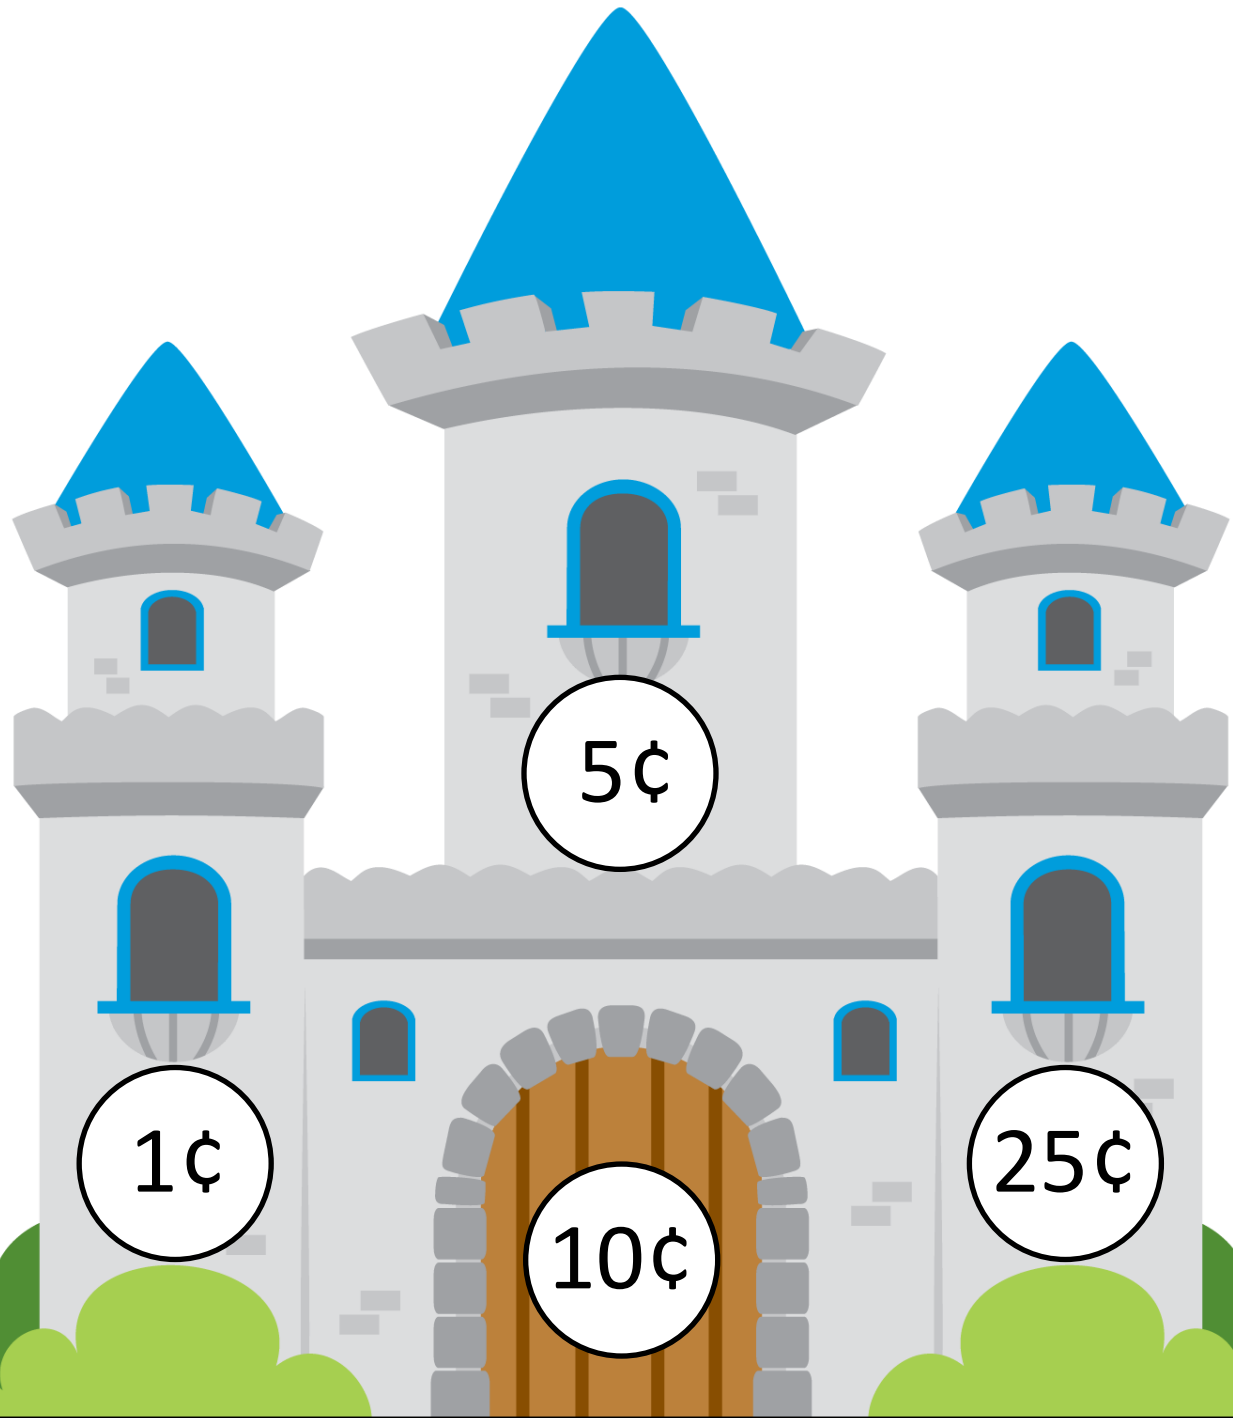

Place the coins in each piggy bank to make the correct amount.

Please detach the above sheet and use it as a fine motor activity with coins.

Build Your Coin Castle!

Stack coins with the given cent amount on the circles below. Stack as many as you can. Don't let them tumble!

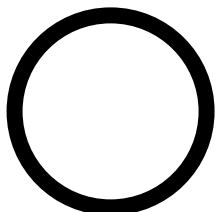

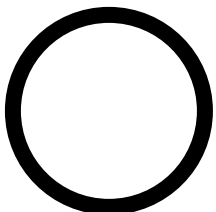

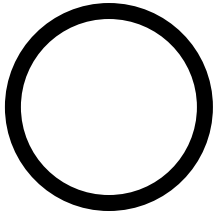

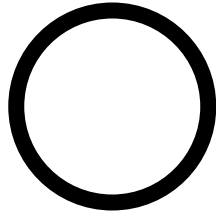

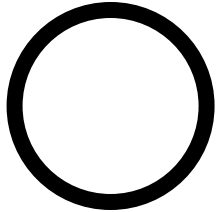

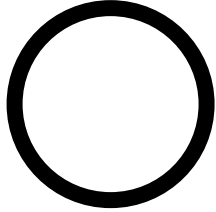

Please detach the above sheet and use it as a fine motor activity with coins.

Race Your Coins!

Place coins heads up on the circles below. Race another person to flip over your coins!

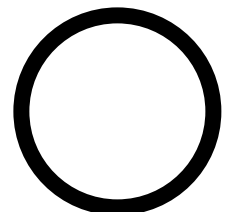

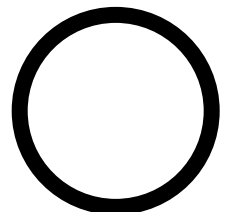

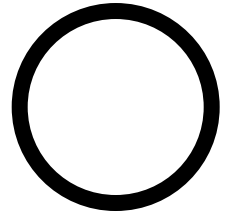

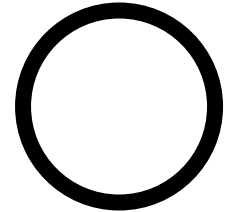

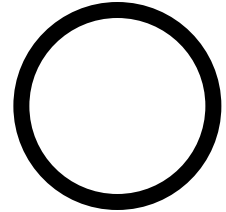

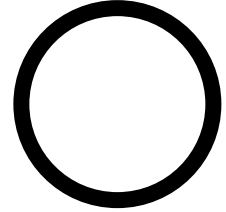

STOP

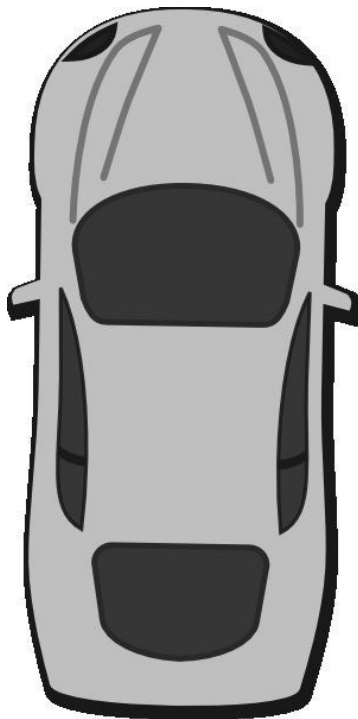

START

STOP

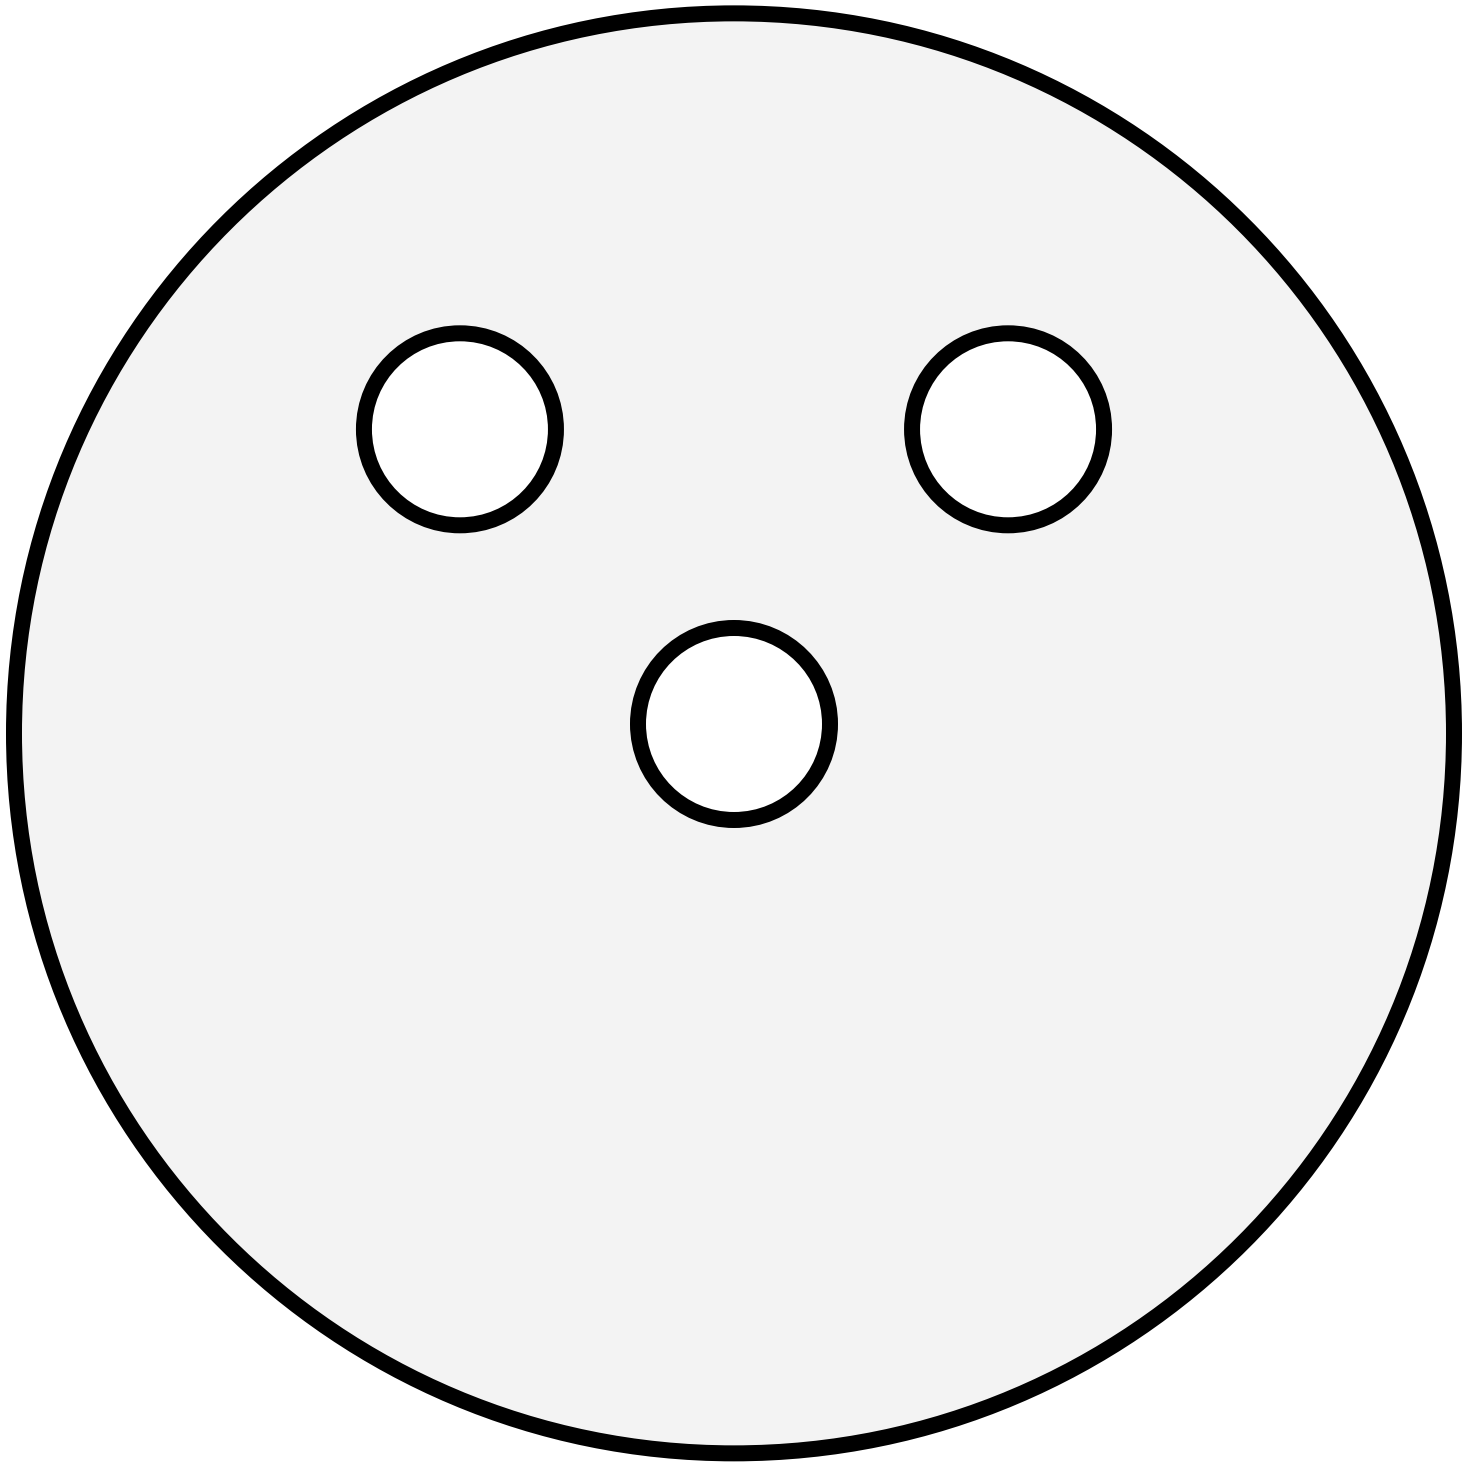

START

Please detach the above sheet and use it as a fine motor activity with coins.

Finish the Face!

Place coins on the face below on the circles. Make it smile or frown - it's your choice!

Please detach the above sheet and use it as a fine motor activity with coins.
