Eureka Math Grade 4 End of Module 1 **REVIEW** Assessment Task

Name _Answer Key_ #_____ Date _9/27/19_

1) Compare the values of the 5 in 552,299. *Use a picture, numbers, or words to explain.*

The 5 in the hundred thousands place is ten times the value of the 5 in the ten thousands place.

$$10 \times 50,000 = 500,000$$

2) Compare using >,<, or =. *Write your answer inside the circle.*
First! Write both numbers in standard form.

a. 371 thousands + 9 ten thousands ⟨>⟩ 380,000
461,000

DRAW A PLACE VALUE CHART!

b. 2 hundred thousands - 1 thousand ⟨<⟩ 300,000
199,000

c. 9 hundred thousand ⟨=⟩ 5 hundred thousand + 4 hundred thousand
900,000 900,000

d. 608 thousands - 1 hundred thousand ⟨<⟩ 607 thousands
508,000
