

## Albert Pilot Bingo

**Participants:** This activity can be done individually or in groups of students.

**Instructions:** Print the Bingo board and distribute to students. During the duration of the pilot, have students track their progress using Albert Bingo. Offer your choice of incentives for Bingo, such as extra credit or even creating a class leaderboard.

**Goal suggestions:** Aim to have five students get Bingo in the first week; aim to have half of your class get Bingo by week three; aim to have half of the class fill in the whole board by the end of the pilot.
