

HARRY POTTER READINGS

Harry Potter Books

Famous people are reading the first Harry Potter book aloud for families to enjoy. They are recording videos of themselves reading the first book in the series, called Harry Potter and the Sorcerer's Stone. The Harry Potter series includes seven books. These popular books are about a young wizard named Harry Potter. Daniel Radcliffe, who plays Harry Potter in the movies, read the first chapter of the book. The video recording was released May 5 on the Harry Potter At Home website. New chapter recordings will be released each week. Other famous people reading sections of the book include athlete David Beckham and actor Dakota Fanning.
