money does she have left?

Answer:

Name: _____

Dennis has \$99.00 and Brandon has \$9.00.
How much more does Dennis have than
Brandon?

Answer:

$$\$99.00 - \$9.00 = \$90.00$$

Raymond has \$84.00 and Samuel has \$3.00.
How much money do they have together?

Answer:

$$\$84.00 + \$3.00 = \$87.00$$

Diana gives \$2.00 to Karen. If Diana
started with \$8.00, how much money does
she have left?

Answer:

$$\$8.00 - \$2.00 = \$6.00$$

Ashley has \$80.00 and Clarence has \$2.00.
How much money do they have together?

Answer:

$$\$80.00 + \$2.00 = \$82.00$$

Stephanie gives \$5.00 to Carolyn. If
Stephanie started with \$86.00, how much
money does she have left?

Answer:

$$\$86.00 - \$5.00 = \$81.00$$
