

SUPER MARIO BROS. ANNIVERSARY

Super Mario Bros. Video Game

A video game company is celebrating the anniversary of a very popular video game. The video game company is Nintendo®. They are celebrating the 35th anniversary of the Super Mario Bros.™ video game, which was first released in 1985. In this video game, Mario and his brother Luigi have adventures in a make-believe land called the Mushroom Kingdom. Nintendo is releasing new Super Mario video games to celebrate the anniversary. They will release the first game on September 18. This game is a collection of three Super Mario games! Nintendo will release more games in October, November and February.
