## CLASS TECHNOLOGY

We will use a number of websites in class (and at home). Students will have all the login information in their planners.

Welcome to the last year of elementary school!! This promises to be a wonderful and memorable school year. Fifth graders have the opportunity to participate in special programs at William Ford such as safety & service squad and instrumental music. Fifth graders also have the opportunity to attend 5th Grade Camp!! I believe each of you is special, unique and smart. Together we will work to let your strengths shine!

We will use the grading scale:

## GRADING

|          |                         |
|----------|-------------------------|
| 95%-100% | 1- Mastery of standard  |
| 80%-94%  | 2 - Proficiency         |
| 70%-79%  | 3- Partially proficient |
| 0%-69%   | 4 - Needs improvement   |

At the end of each term you will also receive a report card that is standards based. It will show you your student's understanding of important concepts.
