# Cootie Catcher Puppet

Cootie Catcher Puppet
How to make the Cootie Catcher:

1. Cut out your cootie catcher. Place the square faceup and fold and unfold the square in diagonals from corner to corner so you end up with x shaped creases.

**2.** Place the square facedown and fold each of the four corners in so the points meet in the center.

3. Turn the paper over so the flaps are now facedown. Fold each of the four corners in so the points meet in the center.
