

5. VISIT LOCATION: Mystic Pond

Based on your recent discovery, you and Bumblebore carry out some research. After reading an ancient book written by Helga, the Good Witch of the North, you discover a solution to ending the Eggpocalypse in Tale Town. Luckily, Bumblebore knows where to go to find what you need. So, with a twist of his hat and a click of his fingers, the Mad Hatter takes the group to Mystic Pond.

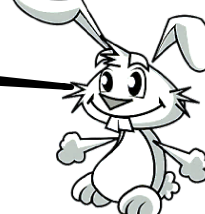

Bumblebore

"Anyone here a brilliant swimmer? If my memory serves me right, the Mystical Rainbow Jellybean Stone lies at the very bottom of this pond."

"Oh dear, it looks extremely deep, I don't think I could hold my breath that long!"

Easter Bunny

Fred the Frog Prince

"Hello! I didn't mean to eavesdrop, but I must ask, why do you need the Mystical Rainbow Jellybean Stone? That's a very powerful and special stone; it is my job to protect it from anyone misusing it."

You explain to Fred that the power of this special jellybean stone should end the Eggpocalypse.

Easter Bunny

"The plan is to hold the stone somewhere central in Tale Town to attract the egg monsters to it. When the egg monsters try to suck the sugar out of the special jellybean, it will transform them back to their previous form; whether just a regular Easter egg or character."

Fred

"Oh, yes! I will certainly help you get the Jellybean Stone if it means putting an end to those wretched egg monsters. Just wait here while I fetch it from the bottom of the pond."

Within five minutes, Fred brings the Mystical Rainbow Jellybean to you. Bumblebore prepares you with protective robes to wear while the Mad Hatter opens a hat portal for you to complete this important, and hopefully, final mission to end the Eggpocalypse.
