7
opportunity cost

When you make a choice, your opportunity cost is the second thing you wanted most.

Example: Mary chose pizza for lunch. Her second choice was a hot dog. The hot dog was her opportunity cost.

(SS040401)

8
economics

the study of how individuals and societies use their scarce resources to get goods and services

Example: In economics you study topics such as economic systems, trade, and production.

(SS040401)

9
economic system

a system a society uses to answer the basic economic questions such as what to produce

Example: The United States has an economic system known as a market system.

(SS040401)
