4. VISIT LOCATION: Detective Headquarters

You return to your office to think about what could have happened. You still don't have enough evidence to solve this case.

Strangely, a note has been left right next to your computer. You stop to read it to see if you can find any evidence in the text:

Dear Detective,

I went for a walk late last night. It was 11:00 p.m., when I walked past Tale Town's Clock Tower. I noticed someone taking off the clock hands, so I hid behind a nearby tree to watch what was going on. Unfortunately, it was too dark for me to identify the thief. They disappeared for a moment, but then I saw the thief opening the bottom door and throwing something small inside; it looked like a tool. Afterwards, the thief continued to walk over to Little Red's house. Unfortunately, I didn't get a chance to see anything else. Out of fear for being out past midnight, I ran back home.

From, Cinderella
