

## 3 steps to connect parents

### 1. Print

Print a parent invite (next page) for each student in your class.

### 2. Send home

Send students home with invites to give to their parents or guardians.

### 3. Connect

From the app or [classdojo.com](https://classdojo.com), parents will use the invitation code to get verified, connect to your classroom, and set up their child's account!

### Benefits to connecting parents:

- ✓ Parents in the know are able to provide better support at home
- ✓ Sharing moments from school fosters a sense of community
- ✓ Messaging directly (in 50+ languages) breaks communication barriers
