

To help find information needed to complete this booklet:

Go to www.cellsalive.com

Under Interactive Cell Models, click on Plant/Animal or Bacteria.
Start the Animation.
Scroll down to “plant cell” or “animal cell”.

After completion of this booklet, you may go to Cell Puzzles and Games on the home page and try out some of them. See what else you can learn.

Glue on page _____ of your ISN.

Bacteria

Draw a picture of a bacteria cell and label each organelle. On the table below, describe each organelle.

Flagella	
Cytoplasm	
Ribosome	
Nucleoid	
DNA
