

CHAPTER 10 STUDY GUIDE:

Terms:

1. adjourn	Bicameral	Bill	census
Floor consideration		Franking privilege	
Gerrymandering		Partisan	Trustee
Apportion		At-large	Off-year election
Delegate		Session	Incumbent
Oversight function		Prorogue	Recess
Term			

2. Ideas:

1. Know both the House and congress. How are they elected? Which is represented according to population? How long is the term for each?
2. Know the difference between a term and a session
3. Know special session! When can president ask congress to hold special session
4. Why senate is called the upper house?
5. When does the term of congress begin
6. Know the requirements for candidates for both house and senate
7. Continuous body
8. The reasons for establishing a bicameral legislature
9. 20th amendment
10. How were senators chosen before 1913?
11. What is the minimum number of representatives for house and senate that a state can have
12. How did the framers diffuse the powers of the congress
13. Speech or debate clause of Article 1, section 6
