

WHAT

CORONAVIRUS

Many

people

around the world

are

sick.

They

have

illness new

called

The coronavirus spreads from person to person.

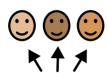

Anyone can get the coronavirus.

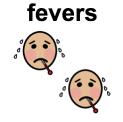

The coronavirus gives people

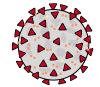

and coughs.

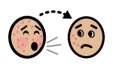

The coronavirus spreads quickly.

Doctors around the world are working

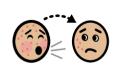

They are working to stop the spread

now.

You can help

stop the spread

too.

Wash

your

hands

often.

Call a doctor

you

feel

sick. *

^{*} See this week's News-2-You Extension Activity for more things you can do.

recipe page

FEEL BETTER BREW

1 C lemon-flavored instant tea

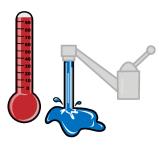

1 C orange-flavored drink mix

1 T ground cinnamon

hot water

1 pint-size jar with lid

teaspoon

spoon

mug

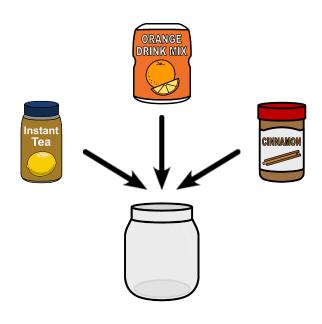

NOTE: Always consider student food allergies when preparing recipes.

1. Put tea, drink mix and cinnamon into jar.

2. Screw lid onto jar. Shake until mixed.

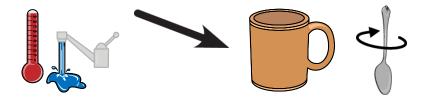

3. Put 2 - 3 teaspoons of mixture into mug.

4. Put hot water into mug. Stir.

5. Let cool. Drink.

• Knock, Knock.

Who's there?

• Cough.

Cough who?

● Cough - ee is

my favorite drink.

Coffee

Tell me!

• Why did the computer call a doctor?

I don't know. Why?
