

WHAT

# SHARING HAPPINESS

People are staying home more now.

They are helping to stop the spread of the coronavirus.

People may feel sad or scared.

or

Some people are sharing happiness in neighborhoods.

They are helping others feel better.

**People are putting lights onto their homes.**

**Others see the lights.**

**The lights can help others feel better.**

People are putting teddy bears into their windows.

Others

see the teddy bears.

The teddy bears can help

others

feel

better.
