

## 7<sup>th</sup> Grade Middle School Science Syllabus

MS. Baydoun Room 213

[baydoua@dearbornschools.org](mailto:baydoua@dearbornschools.org) <http://iblog.dearbornschools.org/msbaydoun/>

### Goals:

- Investigate problems and find a solution supported by data and evidence.
- Interpret and communicate scientific information.
- Learn how to solve problems in a team atmosphere.
- Learn how manipulate technology to report scientific results.
- Connect science to other core subjects and the real world and see how different disciplines of science are related to the issues in everyday life.

### Requirements:

Students are required to come class prepared and on time every day. Students that get in the way of their own learning and the learning of others:

- Verbal warning and or Signed Planner
- Loss of Science Privileges (can only watch during experiments)
- Phone call /email to parent
- Serious violations will result in a student being written up and sent to the Assistant Principal, these violations could result in parental conferences, Friday school, or even suspension.

### Homework:

Homework is an important part of student learning. In order to succeed you must complete assignments and return them on time. Homework submitted late will result in one letter grade drop each day. Homework assignments are not accepted after three days. Late homework is to be placed in the late homework basket. If you are absent, it is your responsibility to find out what you missed from another classmate and you will have two days to complete them. Please meet with me only after school to discuss anything that is only specific to you.

### Materials:

- ISN
- Pencils
- Colored Pencils
