

Snow All Day Preschool

Meet the Teacher

I would like to welcome you to Snow's All Day Preschool Program for the 2019-2020 School Year.

My name is Ms. Cristina, and I will be your child's Lead Teacher for the School Year. This is my 5th year at Snow Elementary School. Previously I worked at Henry Ford College Child Development Center.

I am looking forward to the new school year and getting to know both you and your child. We have tons of fun activities to keep your child engaged and learning.

If you have any questions or concerns, please feel free to reach out to!

Friends Around the World

This school year, we are going to be pairing up with Preschool classes around the world and sharing with them the things we are learning and fun things we did. The International Pen Pals Program will give your preschooler a chance to get to meet children from around the world. If you have any postcards from different places in Michigan that you would be willing to donate to us it would be greatly appreciated. Please keep an eye on our friends around the world bulletin board to check out the letters and pictures that were sent to us!

Daily 5

The Daily 5 is a framework structuring Literacy Time so students develop lifetime habits

of reading, writing, and working independently.

We begin the with "Read to Self". This will allow your child to develop independence, stamina, and accountability.

We are asking for you to send 4 or 5 of your child's favorite books from home to be placed in their Daily 5 Bag. Please have your child's books in by September 6th

Playdough Club

The Playdough area is a favorite in Preschool, thus we are always in need of homemade playdough donations. If you wish to join our Playdough Club, please sign up on the Playdough Club Sign Up Sheet. Being a Playdough Club member would require you to make playdough 1-3 times during the school year depending on how many join. For those interested, the directions will be sent home with a note indicating when you can send in your batch. The recipe is very simple to make and is a great family activity to do at home!

Playdough has many benefits in the preschool classroom, being from a creative outlet to strengthening fine motor skills to prepare children for writing. We like to have playdough available each day for the children to use to help with these skills.

I AM IN PRESCHOOL

I was not built to sit still, keep my hands to myself,

Take turns, be patient, stand in line, or keep quiet

All of the time!

I need: motivation, novelty, adventure, and to engage the world with my whole body.

LET ME PLAY! (Trust me I'm Learning!!)
