

## Homework

Complete as many tasks as you'd like! After you complete a task, you get to color in the square. Please turn in \_\_\_\_\_

Note: This is meant to be a fun way to extend learning outside of the classroom. These tasks should NOT be stressful to you or your child. Feel free to modify any tasks to fit the needs of your family/child best!

Read your favorite book. Talk about the cover, title, author, and illustrator.	Using shaving cream, dirt, or sand, practice writing letters, numbers, and/or shapes.	Counting- Walk around your house and explore. How many mirrors do you count?	Build a fort then read inside the fort. For extra fun, read with a flashlight
Pick out your clothes for the day. Can you dress yourself? If not, use your words to ask for help.	Build a block tower. How many blocks did you use?	Explore the outdoors-- find 3 things that are yellow.	Sing and dance to your favorite songs! What songs did you choose?
Read a book outside.	Play a board game. Practice counting and taking turns.	Write numbers 0-10 on index cards, sticky notes, or small pieces of paper. Place the cards in numerical order	Go on a Nature Walk. Create a nature collage.
Ice Paints: Fill an ice cube tray with	Read a Fairy Tale Talk about	Pick out your favorite stuffed	Line up your

<p>water and food coloring and place a popsicle stick in each spot. Freeze overnight. Enjoy painting!</p>	<p>characters and settings. How do the characters feel and practice making predictions</p>	<p>animal and practice using positional words (up, down, between, ect)</p>	<p>stuffed animals from shortest to tallest! How many animals do you have? Count them!</p>
