BARN HILL PRESERVE PERMISSION SLIP/ORDER FORM

Barn Hill Preserve strives to educate students about animals from wild places across the World. Our enthusiastic animal expert(s) have worked with animals and professionals from Costa Rica, Guyana, Australia, Surinam, and across the US in the field of wildlife rehabilitation, zoological conservation, and captive breeding programs. Photo contributions helps provide care to our ambassador animals and 100% of profits from bracelets go towards wildlife rehabilitation in Australia. Please visit barnhillpreserve.com for more information about how to stay involved with our Animal Adventure Squad and for ideas on how to get your students unplugged and into nature.
