You need two maps. One for El Nino and one for La Nina

To get participation today at least one map needs to be done before you leave (get a stamp) both maps are due tomorrow.

El Nino
Label one map El Nino
Design a key with the following symbols and label them on your map. Warm tropical water, drought, monsoon rains, storms, excess rain, warmer than usual temp., cooler than usual temps and jet stream.

La Nina
Label one map La Nina
Design a key with the following and label them on your map. drought, excess rainfall, La Nina warm water, warmer than usual temps, cooler than usual temps, and jet stream.
