Student grades will be based on the following:

- **Formative Assessments: (20%)** (Includes unfinished classwork, assignments, labs & activities, bell work, contribution to class discussion, and group work.)

These **formative** and **summative** grades will be averaged to create a grade for each marking period. Students and parents can expect progress reports periodically AND may access their Parent Connect account, so there are no surprises! Grades are updated weekly.

- Make-up assignments are available in the case of absences. **It is the responsibility of the student to meet with the teacher before or after class to make arrangements for make-up work as soon as they return to school**
