Cancellation Policy and Fees:

Payments are non-refundable without purchasing Cancellation Super Protector or meeting standard cancellation terms as detailed on our website.

Cancellation Super Protector must be selected and paid for with your initial registration and deposit. Super Protector refunds the amount paid on your trip, minus the cost of protection, any prepaid non-refundable items (admissions, meals, etc.) and a \$50 registration fee should you cancel for any reason up to 48 hours prior to departure. Please see our website for a more detailed explanation of the Standard Cancellation policy and the Cancellation Super Protector.

It is crucial that the balance is paid in full by the final payment date to avoid the \$25 late charge and risk losing your roommate choice or spot on the trip.

PLEASE NOTE: Student Adventures cannot register participants over the phone. If you cannot register online, you can get a paper enrollment form at the school office. **Any phoned in credit card payments are charged \$10 for each payment.**

OnTrip Communication System:

Both Student Adventures and I ask for you to provide your email and cell phone number. We use this to communicate details about the trip, send payment reminders, and updates during the trip. Your information will not be used for anything other than distributing trip information.

We also ask for your permission to contact your student's cell phone. We send text messages for changes in itinerary, wake up times, elevated awareness alerts, and all important announcements while traveling with school.

For questions regarding the online registration process, please call Student Adventures at (877) 873-7550.
