BRAINSTORM: Fill out the chart below with two pieces of evidence that you think are the most important from what you found.

YOUR MICRO-ARGUMENT: Write out your essay in the space provided.

ORDER GOES: DATE/EVIDENCE, REASONING, CLAIM

ORDER GOES:

CLAIM, INTRODUCE EVIDENCE, GIVE EVIDENCE, EXPLAIN YOUR REASONING, AND CONCLUSION (FINAL THOUGHT)

Data/Evidence: This is taken from the text either as a quote or paraphrase

(2) #1 We know that other countries in response to one mass shooting have been able to craft laws that almost eliminate mass shootings.

#2

Reasoning (Evidentiary Reasoning): This is your connection and answers the question "So what?". This will serve as your bridge between the evidence you choose and your claim

#1 If we look at Australia following the port Arthur shooting there has been no gun related mass killings there in nearly 20 years now.

#2

(C) Claim: The starting point of an argument that must be clear, defensible, and controversial. Your answer to the essential question.

For the protection of American lives and the prevention of future massacres it is imperative that we adjust the process for purchasing guns.

(C) For the protection of American lives and the prevention of future massacres it is imperative that we adjust the process for purchasing firearms.

(2) Based on the text we know that other countries in response to one mass shooting have been able to craft laws that almost eliminate mass shootings.

(C) One example is Australia following the port Arthur shooting. Since then there has been zero gun related mass killings since in nearly 20 years.
