Map Guiding Question: How do the states work together to preserve the Union?

How States Cooperate

Interstate Compacts

States w/ the consent of Congress can enter into interstate compacts w/ other or foreign states

Full Faith and Credit Clause

Ensures that states recognize the laws, documents and court proceedings of the other states.

Extradition

If a fugitive from justice is caught in a state other than the state they committed the crime they will be sent back to the offending state

Privileges and Immunities

Provides that a state can not draw unreasonable distinctions between its residents and that of another state

Frame Guiding Question: How do states work to improve these relations?
