Should We Have Dropped the Atomic Bomb

Source

Evidence

Argument For
dropping the
bomb

A.) • As a way to estimate the casualties that could result from an invasion of Kyushu they looked at Okinawa's losses which were roughly 35% of the combat troops.

• American military advisors felt that an invasion of Kyushu could cost the U.S. 63,000 of the 190,000 soldiers set for invasion.

B.) •
