

3- Yellow Journalism is reporting and exaggerating information in news papers, and magazines. William Randolph Hearst and Joseph Pulitzer played a role in it, to be used as propaganda for the Spanish-American war. It played a role in the war, because when people read it, they would believe it because of anger for war.

#4

- * William Seward arranged for the U.S. to buy Alaska from the Russians for \$7.2 million. People called it "Seward's Ice box". They bought because they could benefit from the oil in Alaska.
- * The U.S. wanted to obtain Hawaii because it has a lot of sugar. The Hawaiian sugar increases nine times. The U.S. agreed to import Hawaiian sugar duty-free, but McKinley eliminated the duty free status of Hawaiian sugar.
