

Where's the answer to THAT question?

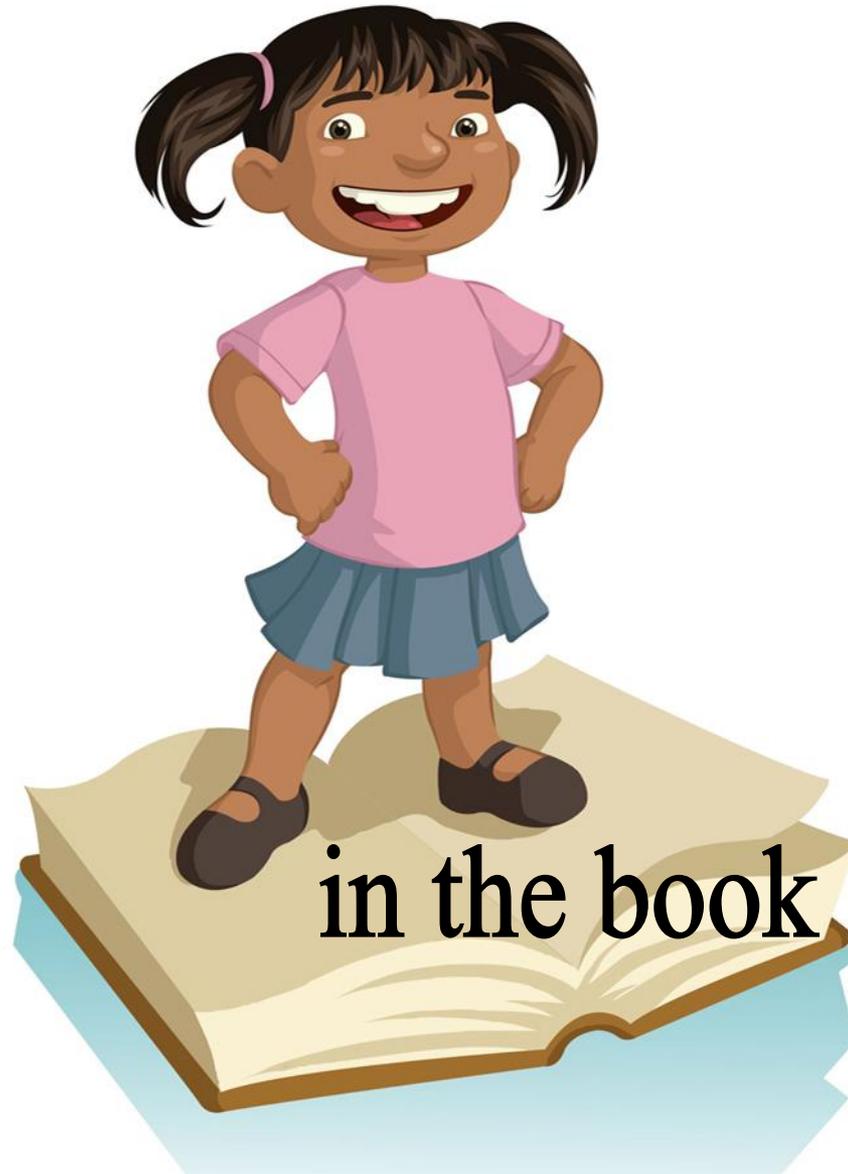

There are two types

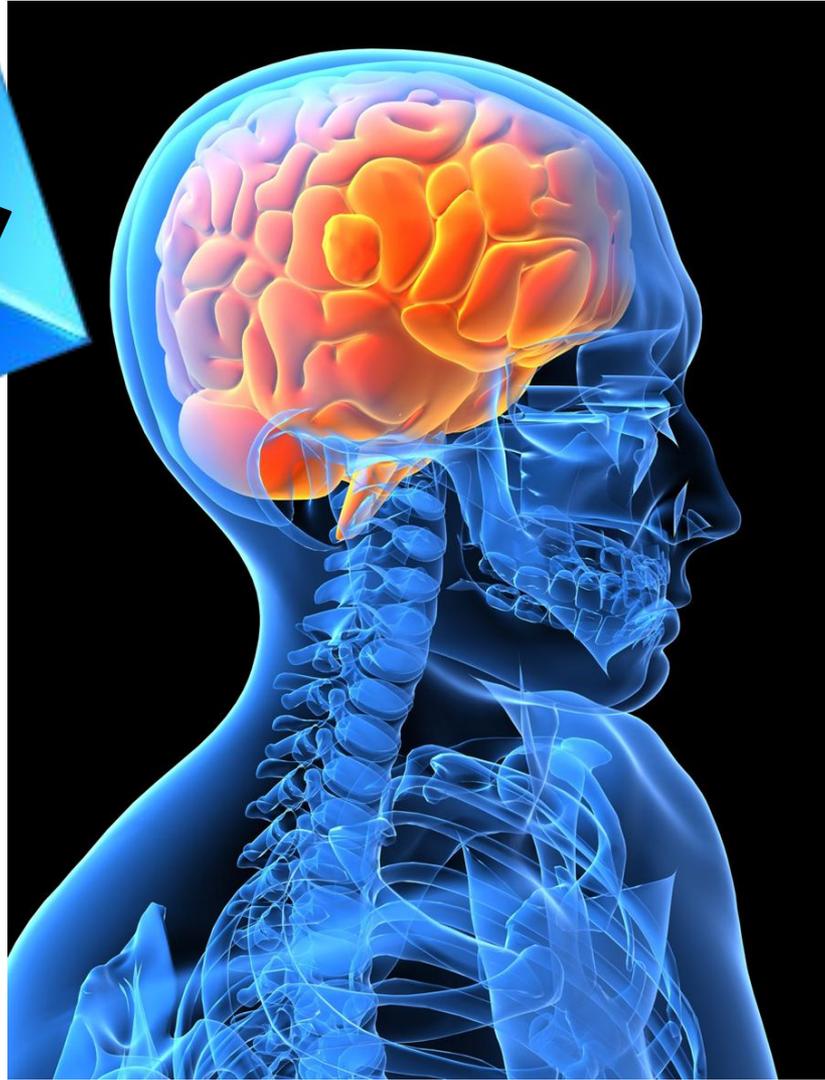

of questions

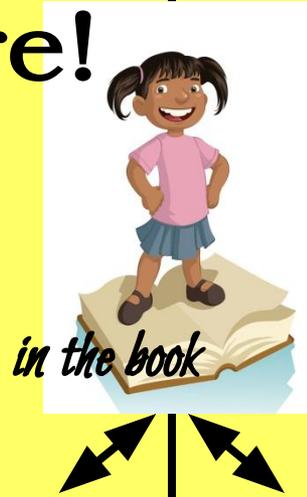

in the book

In my head

Right There!

The answer is in ONE sentence in the text; you can point to it.

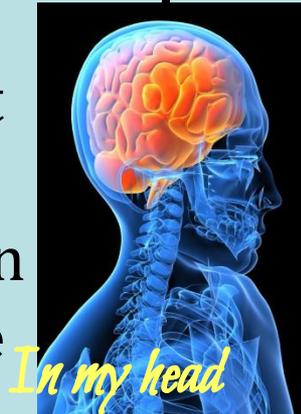

Hey, I remember reading that!!!

Think & Search

The answer is in the text, but it's in MORE than ONE spot.

Hey, I remember reading that!!!

The answer is NOT written in the text, but the author gives us information that we can connect with what we **ALREADY KNOW!**

Author & Me

The answer CANNOT be found in the text. The answer comes from **YOUR OWN** knowledge, experience and opinions.

On My Own
