

Scene 3 **Swamped**

Makled

Duck 1 – Do you think the turtles will ever get here? It's getting late! Maybe we shouldn't wait!!

Duck 2 – Trouble is turtles always over "quack", I mean pack!!

Salamander 1 – The nymph of the dragonflies seem to be struggling! I wonder what the problem is! When a nymph becomes a dragonfly is a very special day!

Green Frog – Some of the newest dragonflies are slow to give it a try! They are quite afraid to fly!

Red Spotted Newt – Maybe we should help them overcome their fear !

Dragonfly 1 – Okay , little pupae, now listen to me! There's nothing to be afraid of! Flying is what you are born to do! Now is the time for courage. We believe in YOU!
